Discussion Questions

Part One

1. Belinda was devastated when she lost her job. When you have been upset about something, what are some things you've tried to feel better?
2. Darius often feels left out because his friends all live close to each other, while he lives in a different neighbourhood. What advice would you give him? And what are some things his friends could do to help Darius feel more included?

Part Two

3. Adelaide was in a situation where she didn't like her friends' actions or words. When conflict arises in your friend group, what are some ways to resolve it?
4. If you had been at the Halloween party, what would you have done when the chaos broke out? Do you think Adelaide made the right decision when she put Tetsu to sleep with the blaster?
