Olympic Vista Chronicles: Songs from the Wood

Discussion Questions

1. Adelaide, Darius, and their friends haven't brought the problems they discovered to a trusted adult. Imagine you were in Olympic Vista, and part of their friend group. Is there a trusted adult you could talk to about the weird happenings in town? Who would you choose, and how would you approach them with your problem?
2. Davia becomes upset at the party when she notices Farrah wearing one of her dresses. Do you think Davia's anger was justified? How else could Davia, Farrah, and Adelaide have handled this situation?
3. Tetsu is accused of damaging a teacher's car at the school and kept in the office all morning. Do you think he was treated fairly? Why or why not?
4. Once Tetsu discovers who is responsible for damaging a teacher's car, he is conflicted about what to do next. If you were his friend, what advice would you give him?
5. When Adelaide and Darius find the scientist in the woods, she explains she created the cy-warg and then released him in the woods to save him from being destroyed by The Link. Do you think she's responsible for the harm the cy-warg caused? What could she do to resolve the situation or make amends?
